PDV MX KIDS REGS

AUGUST 18 & 19 2012

1 Definition

Within the context of the 8 Hours off road endurance, the AMPV and UMAIN will organize the PDV MX KIDS 2012, under the responsibility of a federal or with a state license teacher. Riders under 12 with a NJC Licence (silver handlebars at a minimum) with 65 cc or 85 cc are concerned. The start will be given on the grid

This race will be held according to the rules of the FFM and FIM regulations as well as the race's own regulations.

The track will be approximately 1 km 100 long and the width of the track will range from 24 to 36 feet

1.1 Entries and deadline :

To take part, you have to send the entry form at least 15 days before the race to

AMPV 37 Grande Rue 01290 Pont de Veyle

Entry fees amount to 40 € TTC (forty euros)

This entry includes the rental of the transmitter and 4 bages.

On Friday 17 of August, upon your arrival (main reception of the circuit) we will give the passes to the team manager (please cf the entry form) : 1 team manager, 1 rider, 1 mechanical, 1 switchboarder.

2 General points

« Poussin » class 65cc licence / NJC

« Benjamin » class 85cc licence / NJC

Only the riders with a licence could take part. However, the riders with a "one day" licence could also enter the race.

3 Timing with transmitter

The timing will be made by means of transmitter. The rental cost of the transmitter (6€ per race) is included in the entry fees. The transmitters will be given the day before and the very morning of the race, they will be cleaned before being given back at the end of the last round of each race.

200 € will be required as a deposit, as a guarantee in case of lost or deterioration.

4. Race development

Any rider has to go through the technical inspection and paperworks in order to take part. It's necessary to put the transmitter on the machine for the technical control.

5 “ Poussin / Benjamin” Classes

All the riders with a licence will be accepted. There will be one free practice session and then 3 10-minute rounds + 1 lap. **No timed session for MX KIDS.**

Both classes of ages share the races. The Scratch ranking also allowed a separate ranking, per class (poussins/benjamins).

6 Schedule

SATURDAY 18 AUGUST

| | |
|----------------|--------------------------------------|
| 8h30 to 12h30 | Technical inspection on the track. |

| 7th | 14 |
| 8th | 13 |

| | |
|------|----|
| 9th | 12 |
| 10th | 11 |
| 11th | 10 |
| 12th | 09 |

| | |
|------|----|
| 13th | 08 |
| 14th | 07 |
| 15th | 06 |
| 16th | 05 |

| | |
|------|----|
| 17th | 04 |
| 18th | 03 |
| 19th | 02 |
| 20th | 01 |

7.2 Place on the Grid

On Sunday the place on the grid will be made by drawing lots.

8 Prizes

The organizers will give cup or trophy, the first 3 riders of the ranking in the “Poussins and Benjamins” classes.

9. Discipline, technical inspection and change of machine

9.1 Behaviour

Any rider taking part to the event has to behave correctly.

He is responsible of the other members of the team as well on the circuit as in the surrounding area, before, during and after the event. From the moment that a rider with a licence is taking part to an event, a practice or a race, he has to observe the instructions of the organizers, the race director and the federal teacher of the event. During the race neither the parents nor the friends could intervene

9.2 Behaviour in the pits :

The places in the pits will be allocated from Friday 17 from 2.00 pm. Electricity is supplied, one connecting box for 8 pits, one 3000 W plug per pit.

During the event, during the practices and the 3 rounds, washing the car will be authorized in a specific area.

It's imperative that any rider driving on the pit lane to go back or leave his pits, goes slowly (20km/h at a maximum)

IT IS STRICTLY PROHIBITED TO STOP ALONGSIDE THE WALL. AS WEEL AS IT IS PROHIBITED FOR ANY MEMBER OF THE TEAM TO CROSS THE WALL OF THE PITS.

We remind you that smoking is strictly forbidden in the pits (there is an area for smoker)

10 Technical inspections

All the machines (as well as the helmets and riders equipments) will be inspected according to the FFM rules. The sound level will be particularly checked.

Each rider will have a proper cross or enduro outfit, shoulders protections and a certified helmet **BEWARE VERY IMPORTANT, back or a complete protection certified according the European technical rules EN 1621-1 OR 1621-2, long sleeves are compulsory, a pectoral protection are advised.**

11 Plates and numbers

Three plates are required with readable numbers according to the FIM technical rules. For the MX KIDS they will be blue with white numbers.

12. Extract of environmental code :

The environmental carpet is compulsory for all the sports. It has to be both absorptive and waterproof. The use is compulsory everywhere the organisers authorize to work on the machine. The specs for the carpet are

- Size : 160 cm X 100 cm at least
- Absorption capacity : 1 litre at least
- Tickness : from 5 to 7 mm at least

Accommodations :

Please contact the Office du Tourisme, they will give you the list of hotels, campsite and bed & breakfast.
